Do your personal best with English! ♥

Personal Best is a 6-level General English course for today's busy adults, developed with **Jim Scrivener**, internationally renowned teacher trainer and presenter. Jim's focus on **PRACTICE** as the key to improvement is reflected throughout the contemporary course package. The course features a video webshow called *Learning Curve*, the *Personal Best Language App*, and a wealth of extra activities and resources on the *Richmond Learning Platform*.

Practice makes perfect!

Personal Best puts practice at the heart of learning and gives you the tools you need to do your personal best.

Build your language

The language lessons give equal weight to grammar and vocabulary learning and are supported by comprehensive Grammar Practice, Vocabulary Practice and Communication Practice sections.

The FREE *Personal Best Language App* offers quick, fun practice for the grammar and vocabulary in the Student's Book. It's the perfect way to learn and practise on the go.

Build your skills

The skills lessons develop and practise reading, writing, listening and speaking through Text Builder, Conversation Builder, Listening Builder and Skills features. Each unit builds towards a structured speaking or writing task.

Listening and speaking skills are developed through fully integrated video lessons. The *Learning Curve* webshow hosts bring you a selection of documentaries, interviews and personal video diaries in every unit.
